

Privacy Policy

Last Updated: January 12th, 2023

Purpose

This is the Privacy Policy for Verification & Inspection Professionals Inc. ("VIP"), and articulates VIP's policies for the collection, use and disclosure of personal information.

VIP abides by applicable Canadian privacy legislation. More detailed information regarding specific situations may be found in our customer agreements or other documents.

Information Collected

VIP collects information using various methods including information actively provided by our clients and those arising from the provision of our services.

The types of personal information we collect include customer contact information. In addition, VIP may see personal information on customer systems while providing its services.

Knowledge and consent are obtained for the collection, use or disclosure of Personal Information except where required or permitted by law. Providing us with your Personal Information is always your choice. However, your decision not to provide certain information may limit our ability to provide you with our products or services. We will not require you to consent to the collection, use, or disclosure of information as a condition to the supply of a product or service, except as required to be able to supply the product or service.

Usage of Information

The information VIP collects is used for the sole purpose of providing our services.

VIP does not share personal information with any third parties except as disclosed in this Policy. VIP may provide personal information to its consultants, subcontractors and professional advisers (which shall be bound by privacy obligations) to assist VIP's uses disclosed herein.

The Personal Information collected will be limited to those details necessary for the purposes identified by us. With your consent, we may collect Personal Information from you in person, over the telephone or by corresponding with you via mail, facsimile, or the Internet.

More information can be obtained from our Privacy Officer.

Accuracy

Personal Information will be maintained in as accurate, complete and up-to-date form as is necessary to fulfill the purposes for which it is to be used.

Safeguarding Customer Information

Personal Information will be protected by security measures that are appropriate to the sensitivity level of the information. We take all reasonable precautions to protect Personal Information from any loss or unauthorized use, access or disclosure.

Access to Information

Individuals may review their personal information contained in VIP files by contacting the VIP Privacy Officer. If an individual believes that any of their personal information is inaccurate, we will make appropriate corrections.

Legislation

Notwithstanding the general terms of this Policy, the collection, use, and disclosure of personal information may be made outside of the terms herein to the extent provided for in any applicable privacy or other legislation in effect from time to time, or pursuant to court orders.
